

# WHICH TESTING CENTER IS RIGHT FOR YOU?

There are two main testing centers on Purdue's West Lafayette campus. Collectively, these two centers offer different proctored exams to meet a variety of needs, including accommodated testing for students registered with the Disability Resource Center, credit by exam, and national exams to name a few. Read below to learn about the two centers and find out which one best fits your needs.

## DISABILITY RESOURCE CENTER - TESTING CENTER

Location: Young Hall, Room 853 | [www.purdue.edu/drc/testing](http://www.purdue.edu/drc/testing) | 765-496-6168

Often, the exam/quiz environment is disabling; thus, students with conditions impacted by the exam environment will seek testing accommodations by registering with the DRC. The DRC operates its own exam accommodation process, which students may opt to use when they experience barriers in other testing environments. Once a student is registered with the DRC, they can request an exam by logging on to [www.purdue.edu/drc/testing](http://www.purdue.edu/drc/testing). Please visit [www.purdue.edu/drc/testing](http://www.purdue.edu/drc/testing) for more information or email them at [drc testing@purdue.edu](mailto:drc testing@purdue.edu).

## PURDUE TESTING CENTER

Location: Schleman Hall, Room B42 | [www.purdue.edu/testingcenter](http://www.purdue.edu/testingcenter) | 765-494-7690

The Purdue Testing Center offers a variety of exams to students, ranging from undergraduate advancement to graduate development, and professional accreditation.

### Pearson VUE

- Fundamentals of Engineering/ Surveying (FE/FS)
- Graduate Management Admission Test (GMAT)
- Microsoft Certification
