#### **Learner Pathway Selective**

3

Pick **ONE** course from the selective below in a pathway of your choice (required). ABA courses are included if allowed by the plan of study. Students can take two additional courses in the same pathway to complete requirements for an add-on teaching license in ELL or HA or take one additional course in the SPED pathway for a certificate in SPED.

English Language Learners Licensure Pathway

**Total Professional Education 44-49** 

### **Licensure Information**

All Purdue University Program and Indiana Department of Education requirements must be met for recommendation for Indiana licensure.

After all requirements are met, Purdue graduates will be considered eligible to apply to the <u>Indiana</u> <u>Department of Education</u> for licensure under REPA 3 in:

## Chemistry (5-12) Addition in Blended and Online Teaching (5-12)

Optional: Addition in High Ability (P-12) or ELL (P-12) if chosen pathway requirements are completed

Visit the <u>Indiana Department of Education website</u> for more information about what courses can be taught once licensed in this area.

Please reference the 2021-2022 Science: Chemistry Education Guidelines and Requirements and the 2021-2022 Science: Chemistry Education Checklist for more information.
