Licensure Information

All Purdue University Program and Indiana Department of Education requirements must be met for recommendation for Indiana licensure.

After all requirements are met, Purdue graduates will be considered eligible to apply to the Indiana Department of Education for licensure under REPA 3 in:

Earth/Space Science (5-12)

Addition in Blended and Online Teaching (5-12) Optional: Addition in High AbilityEducation (P-12) or Teachers of English Learners (P-12) if chosen university

concentration requirements are complete

Visit the Indiana Department of Education website for more information about what courses can be taught once licensed in this area.

Please reference the 2023-2024 Earth Space Science Education Guidelines and Requirements and the 2023-2024 Science: Earth Space Education Checklist for more information.
