

PURDUE FREEDOM SCHOOL PROGRAM

Freedom School is a six-week, literacy based summer program. Freedom School encourages a love of reading and learning through culturally diverse curriculum. The Integrated Reading Curriculum affirms our scholars with engaging literature and exposure to the broader community. We hire college-aged students to teach and mentor our scholars in classrooms with a 1:10 ratio teacher-to-student ratio. During the six weeks, we also encourage the parents of our scholars to be engaged in their child's learning through informational meetings in the summer and multiple volunteer opportunities.
