

Benefits and Support for Purdue Holmes Scholars

Mentoring Opportunities

- Membership in a national network of peers facilitated through events and online social networks
- Access to National Association of Holmes Scholar Alumni (NAHSA)
- Monthly meetings with Holmes Scholars coordinator
- Social events that promote community building amongst Holmes Scholars
- Opportunity to informally mentor incoming Holmes Scholars

Professional Development

- Monthly professional development workshops
- Assist the Office of Diversity Initiatives with recruitment initiatives (e.g., *EXCITE!*)
- Exposure to leadership opportunities within the College of Education
- Additional opportunities to present research at national, regional, and local conferences/symposiums
- Job search support provided by NAHSA

Financial Support

- Active Holmes Scholars are awarded a \$250 scholarship per year
- Yearly travel stipend of \$1,500. Funds may be used for conference registration and travel fees, related professional development endeavors, and other expenses approved by Holmes Scholars coordinator
