_____ Pay the nonrefundable **application fee** by credit card. The Graduate School degree application fee is \$60 (U.S. dollars) for domestic applicants and \$75 (U.S. dollars).

_____ Contact the admissions representative at edgrad@purdue.edu if you need assistance.

_____ Provide a resume for the admissions committee with more information than what's included in the application and focus on what they need to know to better evaluate your admission. A graduate resume is different than a job search resume. Job search resumes are designed to get you an interview; graduate school resumes are designed to enhance your application and provide yet another opportunity to sell yourself.

- The resume is not limited to one-page in length (two pages is fine, though contact info must be on both pages)
- Separate your work and non-work experiences into different sections
- Include all your experiences – not just the ones targeting a specific job

_____ The **Personal History Statement (required)** helps reviewers learn more about you as a whole person and as a potential graduate student. This may include relevant details on community service, leadership roles, participation in diverse teams, and significant barriers that you overcame to attend graduate school.

_____ The **Academic Statement of Purpose (required)** is an opportunity for you to share information that will help reviewers understand your academic interests and objectives, assess your academic background, preparation, and training, and determine if you are a good match for the program to which you are applying.

_____ Three letters of recommendation are required for all applicants. The best letters you can secure are those from former or current employers, co-workers, colleagues, tutors, and other mentors. Never ask family members or close friends. You will have the opportunity to have your recommenders submit an online recommendation by entering their email within the application.

_____ **Submit an official transcript** for every college or university attended. Official transcripts should be requested to be sent directly from the issuing institution to the Purdue Graduate School or gradadm@purdue.edu. If possible, please select Attn: "Grad School."

- Social Security numbers must be marked out before any document is uploaded.
- If degree/date awarded not listed on transcript, a copy of the original diploma must be made and verified by one of the following: the institution that issued the diploma, the employer, an official such as a lawyer (notarized), or an upper-level financial institution employee (notarized). The verifier must write *"This is a true original copy of the diploma for (applicant's full name)"* on the copy, and include their name, title, phone, and email address on the copy. The copy *cannot* be faxed or sent over email; it must be mailed to the graduate program.
