

Local (Purdue/Lafayette/West Lafayette) Counseling Referral Resources

This list of resources was compiled as a reference for use by those seeking additional mental health services. We prepared this directory as a convenience to our patients to help identify other available resources. Please note: These providers are not affiliated with Purdue University, and inclusion in this directory does not imply endorsement of the listed treatment providers by Purdue Counseling and Guidance Center. Purdue University assumes no liability associated with services provided by outside community treatment providers. **Please contact your insurance company directly to verify that the person you schedule an appointment with is in-network with your specific insurance plan.**
