Hey! I'm Charlie Muttnik,
Everyone on the block knows me.
I am the pup with the pencil,
the mutt with the marker,
the dog with the drawing pad,
the chap with the chalk!
I'm drawing all the time.
And as soon as I finish one drawing
I gotta draw another!
Why am I drawing all the time?
I don't know, but it's all I want to do.
My drawing might start out as a butterfly
and end up as a battleship.
It could turn out funny,
or strange, or cool
or maybe just a mess.
I don't mind.
I take a fresh piece of paper

I feel a little shiver

Something new is about to happen

and I'm off again!
